MEN OF MEXICO
In MEN OF MEXICO, photographer Jim Moss has collected hundreds of his favorite still images of Mexican men, taken during a year he spent visiting the cities and towns of the huge Latino nation. Captured in all their macho glory, this is an hour of breathtaking photography and men, many of whom are uncut, and none of whom had ever posed nude before. This is Latino sexuality at its very hottest! In VHS or Beta, this extraordinary video is $29 plus $2 postage and handling. A signed statement of age is required.

GAYPORN VIDEO COMPANIES

The following video companies all have mail order sales divisions and issue catalogues and/or brochures of their titles. When you write for information, always include a note that indicates your age and includes your signature. Otherwise you'll get a form letter back requesting that you attest to your age before you'll hear anything from the company. Some mail order companies do not sell in states where gayporn or explicit adult entertainment gave been targeted for prosecution (Utah and Florida are at the top of the list at present). You may be directed to a retailer in a non-hostile state. And if it irrates you that your state has decided to harrass the adult entertainment industry, you should consider writing a letter to your governor and state legislative representatives voicing your disapproval. When writing, indicate that you read about them in the *Gayporn Star's Annual*.
